

17. A computer monitoring system according to claim 11, wherein each of said computers to be managed divides a log into divided logs and have other computers among said plurality of computers store the divided logs; and recovers data of said log by using the stored divided logs when a part of the divided logs is lost or altered. --

REMARKS

Applicants have submitted new claims 8-17 for consideration by the Examiner. Applicants submit that these claims do not add any prohibited new matter.

To the extent necessary, Applicant petitions for an extension of time under 37 CFR §1.136. Please charge any shortage in the fees due in connection with the filing of this paper, including extension of time fees and excess claim fees, to Deposit Account No. 01-2135 (referencing case No. 500.36699CX1) and please credit any excess fees to such deposit account.

Respectfully submitted,

Frederick D. Bailey
